OM MISSION SPEAKER

Today's 10.30am service will focus on Operation Mobilisation. Its aims are to share God's love, strengthen churches and plant new ones especially where Christ is least known. Don't miss this opportunity to hear and meet George Verwer who had the vision to begin OM in 1957. OM now works in over 110 countries world wide.

St Georges gives regular financial support to OM from our Missions Fund.

ST GEORGE'S MISSION FUND RECIPIENTS

Each year our Church financially supports Christian Missions whose work meets the needs of people and makes known the message of God's love.

The main Mission recipients are **CPAS** (UK), **Operation Mobilisation** (world-wide), **Tearfund** (world-wide), **Katherine Marrow** (Honduras).

In addition, from the 2018 Mission Fund allocation we have made one-off donations to the **Bible Society** working in UK and overseas, to **Lama Ministries** working with street children in Philippines and to **CBM** - a Christian charity working overseas with disabled children and adults. CBM started out in 1920s as the 'Christian Blind Mission', seeking to improve eyesight problems. It now covers parts of Africa, Asia, Middle East & Latin America. Over 10 million cataract operations have been performed, restoring sight. Treatments offered now includes ear, nose, throat & other health problems. In many countries those with disabilities are often ignored, yet CBM works to improve their lives and make known the gospel good news.
