## A BAG OF EDUCATION

Link to Hope's partner charity "Door of Hope" have lunched a Bag of Education project, similar to the shoebox appeal but this is just for children and purely for educational items.

Like Link To Hope they work in eastern Europe and have a good relationship with schools. Door of Hope wants to give as many children as possible the opportunity to go to school, however some families are too poor to buy pens, paper and other items needed for their education and the schools do not provide these. Every child has a right to education and filling a bag will help a child attend school, be educated and in turn break out of the cycle of poverty. For just £5 you will receive a bag to fill; this also covers the cost of transport. Please see Jan Holden to sign up. Thank you.

## TODDLERS

Help is needed to set up and/or clear away for Toddlers each week. We are in urgent need of some strong people to help with the setting up (8-9am) and clearing away (10.45-11.45am) of Toddlers each week (term time only). Full training will be given. Also we are looking for about 4-5 people that would be willing to go on a rota that would volunteer to sit in the Pilgrim Chapel on a Thursday morning (9.15-11.15am) term time only whilst the buggies are left there to allow extra space in the church hall to accommodate and run Toddlers.
